

Lisa MacDonald (Mathematics for Secondary Education, Outstanding Mathematics Graduate 1997) wrote a full-length stage play that had its world premiere in November 2021 at the Eastern Upper Peninsula Fine Arts Center in Detour Village, Michigan. In "Dear Camp" a recently widowed woman spends the night at her husband's cherished hunting camp to prepare the property for a quick sale. She finds the camp journal before being joined by three friends. The journal reveals secrets that lead to suspicions and unanswered questions.

"Dear Camp" was one of seven out of 40 plays selected for the 2019 New Playwrights Festival at Theater Nova in Ann Arbor. The premiere was exceptionally well attended with nearly sold-out audiences at all four performances. Three encore performances are planned for June 3 - 5, 2022 for those who were not able to attend in November or are wanting to see it again.
